Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

Jefferson County Internship Consortium (JCIC) offers doctoral interns a unique blend of experiences and trainings to support preparing future psychologists for the public health sector. Our consortium consists of several agencies including Seven Counties Services (Community Mental Health Center), Bellewood & Brooklawn (Adolescent Residential Facility), Kentucky Correctional Psychiatric Center (Prison Hospital), and Central State Hospital (Adult State Hospital).

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours			Amount: 500
Total Direct Contact Assessment Hours			Amount: 75

Describe any other required minimum criteria used to screen applicants:

- 1) Successful completion of four years of graduate-level course work, including appropriate training and practica in adult and child assessment. This will include a minimum of 75 hours of assessment time including at least four integrated reports.
- 2) Appropriate training in therapeutic theory and practice, including at least two semester-long practica in therapeutic techniques. This will include a minimum of 500 hours of intervention time.
- 3) Deemed ready for internship by the graduate program's training director.
- 4) Record of scholarly achievement and attainment of appropriate clinical skills for work with a public-sector client population.
