# Whole-Person Care for Every Stage of Life

As a CCBHC or Certified Community Behavioral Health Center, Seven Counties Services provides integrated, person-centered care that supports the whole person, mind, body, and spirit. We deliver accessible, high-quality services for adults, children, and families across our community.

We're transforming behavioral healthcare in Kentucky by expanding access, coordinating care, and ensuring every individual receives the support they need — when and where they need it most.

# Here When You Need Us:

## 24/7 Crisis Support

Our Levels of Crisis Care:

- ✓ **Crisis Intervention Center & 988**  
Call 988 anytime, 24/7, to speak with local crisis counselors. Get immediate emotional support, safety planning, and connections to care.
- ✓ **A Safe Place to Go**  
Individuals can walk in to any clinic location during operating hours for behavioral health and substance use services. After immediate needs are assessed and the current crisis is de-escalated, individuals are connected to a safe and least-restrictive setting for ongoing care, ranging from outpatient therapy services to referrals for other levels of care needed.
- ✓ **Mobile Crisis**  
Crisis Clinic-level care delivered face-to-face in the community. Adults 18+ across our seven-county region get support wherever it's needed.
- ✓ **Crisis Call Diversion or Deflection Project**  
Shifts non-emergency mental health 911 calls to crisis triage workers who provide de-escalation, support, and connect callers to in-person help if needed.
- ✓ **Emergency Psychiatric Services (EPS)**  
Immediate, intensive psychiatric care delivered face-to-face in the community for adults 18+. Available across our seven-county region.
